UgandAid Donation Form

If it is not possible for you to fully sponsor a youngster at NVI, either individually or as part of a sponsoring group, please consider supporting UgandAid in one of the following ways:

- **Make a single payment donation**
- **Contribute by regular standing order**

In these circumstances we will be unable to partner a specific youngster with you, but your contribution will be fully utilised by the UgandAid Community Fund supporting a group of students. We will endeavour to keep you informed about their progress, as well as our future plans and ongoing developments at NVI.

Wherever possible we really need sponsors to Gift Aid their donations, as the additional income received enables more youngsters to be supported through vocational training. If you are able to Gift Aid your donation, please complete the declaration below.

For Ugandan youngsters your generosity can be life changing – Thank You!
